

who is your neighbor who is infected in covid virus.

if you have nobody who is infected in covid, it means you don't have friends

allergic to it

How do you think about Ukraine situation?

have you seen vote champaign

when I went to Singapore, I ordered a coffee which is vanilla latte and I told her give me a vanilla latte but he couldn't understand because it was vanilla latte.

you have to use microwave at 8am for about 30 seconds.

I will go to the academy to learn rice baking.
