

# A Six-Day School Week

## 1. disagree

- because work day is five days so we plan travel from holiday.
- because workdays are five days so we plan traveling from saturday.

-> But workdays and school has no relationship at all

- traveling go with family so it is relationship.
- traveling is gone with family so there is relationship.

-> But highschool students have no time for traveling so it doesn't matter

- but they need rest and enough to study five days
- time is enough to study for five days.
- five days is enough to study.

Learning how to dance is easier than learning how to sing.

나 노래잘해? I am a good singer -> I can sing  
너 노래잘해? Can you sing?

- I think learning how to dance is easier.

-> Why?

- Singing is given when they are born.
- innate

-> How about dancing?

- dancing is also hard because I can't dance.
- when I learned Jazz dance teacher told me you are a stiff.

-> Then dancing should be harder than singing

- dancing and singing both are hard.

# Should Makeup Be Banned?

- NO

-> why

- why make up should be banned?
- fraud

-> takes up too much time

- so I drive while doing make up.

-> but there are people who gets very different when they are with make up or not.

- so make up is needed by people

Black lives matter

- agree
- disagree
