Eliot is a man who is a surgeon in his sixties.
나이 종사하고 있는 분야 -> in

One day, he saved old person and got a ten pill that was back the past.
human / man
- one day he saved **an** old man and got ten pills that bring back to the past.

He moved the past to see his girlfriend Illina she was die 30 years ago.
- He went **to** the past to see his gf Illina who died 30 years ago.

He met young Eilot.
- Then he met young Eilot

He explained who is he and why he came here.

she - her
he - him
they - them
we - us
i - me
you - you

Two Eilots decided to save her.

but old Eilot has been known that if she save and keep to their relationship, disappeared to his daughter.
- but old eliot has been knowing that if she was saved and their relationship is kept, his daughter is disappeared.

So they promised that eilot and Illina **breaks up instead of saving her.**
- eilot breaks up with her after saving her.
She killed herself after hearing that their relationship is no longer valid.
relationship is done.

ENTP

Eilot ate pill and came to the past. He succeeded in saving her but he ever couldn't meet her until he died.

If I was young

His friend Matthew getting to known everything after eilot died
His friend Matthew get to know everything after eilot died

in reality

I usally do yoga.
I just like yoga.
I met one woman who is yoga teacher she is funny and kind and we have same first name.
so I like her and she knows yoga. I get to teach another man.

she brought me to somewhere that teaches people how to guide people to do yoga and after
some time I get to teach yoga
